This bottle was built expressly for the Jas. Schlicht Brewery Co., Milwaukee, Wis., and is the best and most expensive pattern of beer-bottled corkscrews made at Solingen, in the German Empire. We guarantee the steel to be of the best English quality of knife steel, properly tempered and highly polished throughout (except polish) constituting the best job obtainable. The steel is in the handles (v) of the highest quality of East African pear known to the trade.
