

Just For Openers

968 GREENWOOD CT. SANIBEL ISLAND. FL 33957 (813) 472-0004

HAPPY NEW (COLLECTING) YEAR!!

Glad to have you as a member for 1986. JFO is starting its 8th year and still the ONLY publication with authoritative information on openers and corkscrews. Thank YOU all very, very much for YOUR support and for the information YOU supply to make it so. This issue has the 1986 membership (note that there are many new members). Those that did not renew have been sent reminders so that they won't miss out on this valuable information. I do want to point out that there are a number of members, who for reasons of their own, do not want to be listed. Also are listed 472 new additions to the Handbook that were reported since the Jan.'85 issue. Many more were reported but after screening them, I found that they were "corrections" to all previously reported. They were entered on the correction list which I am compiling and which you will receive when it is finalized.

The 1986 Opener Convention (April 24, 25 & 26 in Ft. Myers, Florida) plans are going along smoothly. So far, 48 respondents to the questionnaire that was in the Oct.'85 issue, have indicated that they are planning, or are trying to schedule their time frame around it. They will all receive a packet outlining the convention details. Those of you that have not sent in your intentions to attend, do it NOW!

There was a great response to the above mentioned questionnaire regarding other facets of our members. I am pleased that so many of you took the time to complete it. The results will appear in the April issue. How would you like to receive a B-2-1A Blatz for sending me a postal card with your guess as to the "total" amount of openers reported in ALL collections? The closest guess will get it. (If you are wondering what a B-2-1A is, look it up in this issue's Additions). Entries must be postmarked no later than Feb. 28, 1986.

BILL McKIENZIE has volunteered to do "OPENER TRIVIA" as a regular feature starting with this issue. He did an excellent piece and he would appreciate your comments.

JIM HOLLINGER sent a list of ULS and he states "The two most pleasing finds on this list are B-24 Fleck's and the B-18 Engesser. The challenge of finding new additions to my collection is becoming more difficult. However, whenever I come across an opener such as these two, the reward is worth it. The search goes on".

DONALD BROMM has a B-18-55 Olympia with #256 on it. I believe this is only the third one reported so far with the number on it and is the lowest.

JOHN P. DONOGHUE advises that there are some 500 openers on display at the Lewis St. Exchange (a liquor store) 171 Lewis St., Lynn, Mass. The store is open 9AM to 10PM six days a week. If you are in the area, you are welcome to come in to meet John and browse around.

The April issue will have New Discoveries and will be the last of them. DON BULL and HENRY SMITH co-ordinated these but both are no longer in a position to continue it as a free service. In order to perpetuate this interesting and valuable information, I am asking for a VOLUNTEER to take on the task. I am sure that there is a photographer amongst us that would be HONORED to take on this NON-PAYING position with the expertize needed. Write to DON BULL as he is willing to help with the details on how it is done.

The official patch for JUST FOR OPENERS is a reality after all the hassle with the supplier. The black & white copy of it shown below does not do it justice. The background is white, the border gold, lettering is blue and the openers/corkscrew are brown. They are available from me at \$4.00 postpaid. It was designed and paid for by myself (no JFO funds were used for its creation).

You will note that the Buy/Sell/Trade ads are getting longer by each advertiser. My original intent was to offer free ads limited to 20 words or less. This intent is still in effect. However, starting with the April issue, any ad with 21 or more words must be paid for in ADVANCE at 10 cents per word (no exceptions). This is quite a bargain as publications today ask for anywhere from 15 to 25 cents per word.

BOOK REVIEWS: Two were submitted to me. "DON BULL'S BEER TRIVIA" is a very interesting quiz book. Although not exactly for the opener/corkscrew collector, we in this specialty facet of collecting, have an edge on all other Breweriana collectors in answering the questions, as we have quite a few answers on our openers/corkscrews. This 190 page 4 color soft cover book is very informative and knowing the answers can make you an authority on the subject. Order from BULLWORKS, 20 Fairway Dr., Stamford, CT 06903 @ \$5.95 each postpaid.

CORKSCREWS CANADIAN PATENTS by RON MacLEAN This is a hard one to pass comment on in that it has THE CANADIAN PATENT OFFICE RECORD masthead. The author states on the facing page "The following are copies of Canadian patent abstracts of cork extractors and related items. In summary there are 94 patents; 23 by Canadians, 63 by Americans, 3 by Englishmen and one each by inventors from Austria, Germany, Norway, and Australia". However, to put this 45 page spiral bound source of information together, must have taken hours and hours of research. I believe that any corkscrew collector MUST have this as authoritative information. Order from RON MacLEAN 4201 Sunflower Dr. Mississauga, ONT L5L 2L4 Canada @ \$7.00 U.S. Funds Postpaid.

When ordering, please mention that you read about it in JFO.

Opener trivia

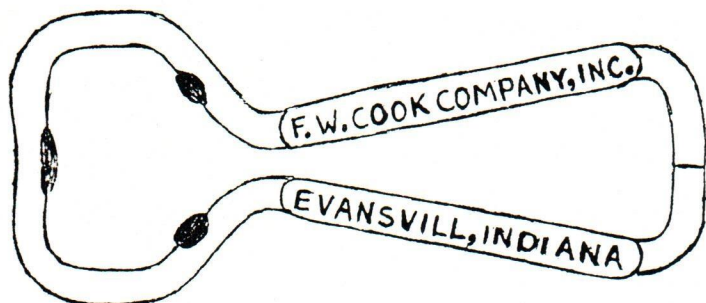

by Bill McKenzie

Did you know that the wire loop found on type P-54 had a purpose other than to hang the corkscrew?

Sometimes our newsletter gets a little short on material so I've offered to do this page on opener trivia. Since JFO has members who collect many different kinds of openers, I will try to include a little bit to please everyone. I hope you will enjoy it, and I would like to hear any comments you have, positive or negative.

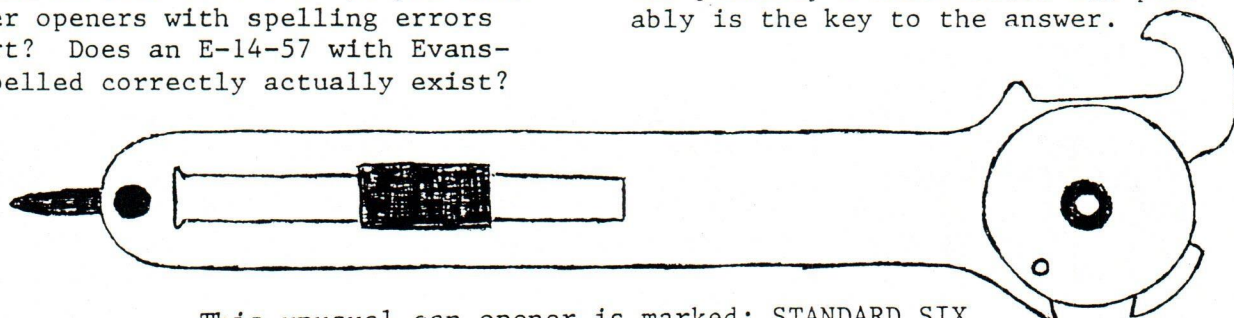

The wire loop was designed to lift off crown caps. I wonder how well these worked, and how long they lasted before the pressure split the wooden tube.

Did you know that the word Evansville is misspelled on this E-14-57? Do you have any other openers with spelling errors to report? Does an E-14-57 with Evansville spelled correctly actually exist?

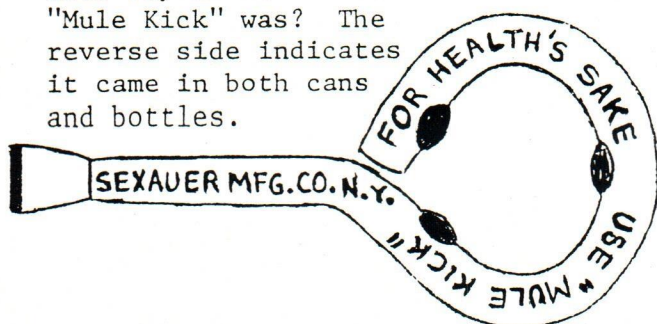

Edel Brau was a very popular beer brand. It was used by: (1) Portland Brewing Co. Portland, Oregon; (2) Konrad Schreier Co. Sheboygan, Wisconsin; (3) Edelbrau Brewery, Inc. Brooklyn, New York, and several other breweries. What brewery is this opener from? Lorenzill Sons Co. was probably a distributor and probably is the key to the answer.

obverse

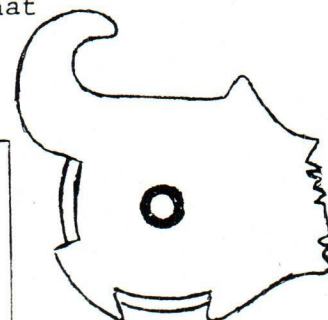

Most of you probably have seen this unusual opener, but does anyone know what "Mule Kick" was? The reverse side indicates it came in both cans and bottles.

This unusual can opener is marked: STANDARD SIX IN ONE HOUSEHOLD TOOL PAT. APPL'D FOR. Can anyone explain the bottle opener end, and what the six uses were?

If you have the answers to any of this issue's opener trivia, or have something to contribute for the next issue write:

JIM HOLLINGER, LARRY BIEHL, TED STRINY, DON KELLY, RALPH PHILLIPS, JOE CARDONE, DON BULL, JIM MENSCH, OLLIE HIBBELER, CARL REES, AL LINDT, STAN SUMMERS, HARRIET WALDO, DARWIN WILCOX, BOB VAN VACTOR, GEORGE LOHMILLER, RAY BRAUENER, TONY ZANGHI, WILLIAM ENNIS, JACK FORD, ROY SCANLAN, LEON BEEBE, FRANK GATCH, JOHN HORN, DAVID STOUT, FIL GRAFF, HENRY SMITH, VERNE VOLLRATH, ART SANTEN, MARK BARREN, RAY GEYER & ED KAYE

COURTESY OF OUR "MEMBER-ARTIST" LARRY BIEHL

The St. Louis Opener Club held its November meeting at Art Santen's HEAVY METAL basement. In attendance were John, Vic, Art "and on the way" Chapman. We made a few trades and had a few beers (naturally, we used openers on the containers) except Bob-who was on his way to work. All of us will come to the convention. (ED'S note-what would a convention be without the St. Louis group?) Our 1985 Christmas party with our spouses will be held in Jan. 1986 in John Goff's BRASS basement hideaway. The entire JFO membership is invited. Please phone John for further information.
